

# **Blueberry Cream Pie**

**yields 1 pie**

## **Crust**

**1/4 C. dates, pitted, soaked**

**1/2 C. walnuts**

**1/4 C. almonds**

## **Filling**

**2-3 medium bananas**

**1 lb. blueberries (fresh or frozen)**

**1/2 C. dates, pitted**

1. In a food processor, using the "S" shaped blade, blend the crust ingredients well.
2. Pat mixture into the bottom and sides of a pie plate, forming a crust.
3. Slice the bananas into 1/4" rounds, leaving 1/4-1/2 of one banana for the creamy filling. Cover the bottom of the pie shell with a layer of banana pieces.
4. In a food processor, blend one cup of the blueberries with the remaining piece of banana and 1/2 cup of dates. Mix in the remaining blueberries (whole). Pour this over the sliced bananas in the pie shell. Garnish with walnuts. Chill and serve.
